## ZED: Zero Defect, Zero Effect

Our Services for ZED 7 stage support.

### 7 Steps Process flow for ZED rating

## Industries worked with:

### Industry Types

- » Engineering
- » Electrical
- » Processing
- » Food
- » Agriculture
- » Automobile
- » Poultry
- » Pharma
- » Biomedical
- » Packaging

## Types of Manufacturing setups worked with for Lean Manufacturing Implementation and Business Process Excellence

- » Epoxy component & CT/ PT manufacturing
- » Food product manufacturing
- » Busbar manufacturing
- » Biomedical part manufacturing
- » Electrical contact manufacturing
- » Pharmaceutical manufacturing
- » Transformer manufacturing
- » Poultry Equipment manufacturing
- » Chimney and boiler accessory part manufacturing
- » French door manufacturing
- » Metering unit manufacturing
- » Plastic moulding
- » CNC - Laser Sheet Metal Fabrication shops
- » Rubber part manufacturing
- » Assembly Shops
- » Carbide tools manufacturing
- » Panel manufacturing (LV, MV & HV)
- » Pre Engineered Building manufacturing
- » Tailor made product assembly shop
- » Conventional fabricators
- » Precision mass product manufacturing
- » Hospital furniture manufacturing
- » SPM & Machine manufacturing
- » Hydraulic Equipment manufacturing
- » CNC/VMC Machining shops
- » Corrogated box manufacturing
- » Tool and Die manufacturing
- » Thermocol packaging manufacturing
- » Automobile part manufacturing
- » Irrigation part manufacturing
- » Press component manufacturing
- » Electronic product manufacturing
- » Silencer manufacturing
- » Surface treatment shops
